## NOTICE TO GLEN ROCK COMMUTER RESIDENTS

As the Governors of New Jersey and New York have lifted COVID-19 restrictions allowing more people the option of returning to work, the Borough of Glen Rock has revised certain aspects of the Residential Commuter Parking and CBD Employee Permit Parking regulations that were implemented due to the COVID-19 situation. The Mayor and the Council of the Borough of Glen Rock have authorized several amendments to its permit parking regulations.

Beginning July 1st, 2021, the sale of 2021 Resident Commuter Parking E-Permits will begin. Resident Commuter Parking E-Permits will be prorated as established pursuant to the Borough Code- 101-14 Parking Fees. All Resident Commuter Parking E-Permits purchased in 2020 will remain valid through December 31st, 2021. There will be a 30-day grace period before enforcement is to begin.

Permits are available online only: <https://glenrocknj.t2hosted.com/account/portal>. All permits are virtual, based upon your vehicle license plate number, replacing the physical parking permits used in the past.

Included with this letter you will find a map of the currently available Resident Commuter Parking locations.
